

Invitation to Attend Gibbs School Ribbon Cutting

The Arlington Public Schools is pleased to invite the Arlington community to attend the Ribbon Cutting event at the Gibbs School.

Date: Sunday, October 21, 2018

Time: 2:00 PM to 5:00 PM

Location: Gibbs School, 41 Foster Street, Arlington, MA

The official ceremony will begin with speakers at 2:00 PM. The public is also invited to tour the school during the open house to follow.

Gibbs School opened as a town-wide sixth-grade school in September 2018 following a successful building renovation. The new Gibbs School is designed to support students' transition to a larger school community, as the students come from all seven neighborhood elementary schools. Arlington Public Schools' student enrollment has been growing for the past several years. Opening a sixth-grade school reduces enrollment pressure on the Ottoson Middle School while also addressing the specific social-emotional needs of sixth graders.
