

## **Register Now for SummerFun for Kids Grades 1-9**

Looking for something fun for your kids to do in July? SummerFun is Arlington Community Education's popular vacation enrichment program for children entering grades 1-9. Classes are offered in science, sports, fine and performing arts, culture, crafts, technology and more! Most classes meet at Ottoson Middle School and all are taught by experienced teachers. Half- and full-day options are available. Sign up for one or more weeks. Early drop-off and extended-day also available. Some classes fill quickly, so early registration is encouraged. To view the catalog and for registration information, visit [www.ArlingtonCommunityEd.org](http://www.ArlingtonCommunityEd.org). Or call 781 316-3568.
